

General Purpose Spotter

with Percolator Technology

General Purpose Spotter with Percolator Technology removes tough stains, protects against resoiling and deodorizes carpets.

Features & Benefits

- Powerful cleaner that lifts out tough stains, including old stains, such as grape juice, chocolate, coffee, wine and oil
- Water-based general purpose spotter fortified with hydrogen peroxide
- Leaves no tacky residue, which means no re-soiling
- CRI and WoolSafe approved

Applications

- For use as an all-purpose carpet spotter
- WoolSafe approved for use on wool and all other types of carpet. If being used for the first time, test for colorfastness in an inconspicuous area before use

General Purpose Spotter

with Percolator Technology

Use instructions

- Apply to the spot. Allow to work for 5–10 minutes.
- Agitate with a scraper, working from the outside in to keep the spot from spreading
- Blot with clean white towels to absorb stain
- Repeat if necessary
- Extract or rinse with water and blot dry

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.

ECOLOGO® Certification and Mark by UL Solutions.
