

Gum Remover

Gum Remover is a spotter designed for the removal of gummy materials such as chewing gum and candle wax from carpets, upholstery and hard surfaces.

Features & Benefits

- Versatile formula that is effective on many gummy materials, including chewing gum, tar, wax and more
- Quickly freezes material for easy removal
- No chlorofluorocarbons - will not harm the ozone layer
- WoolSafe approved

Applications

- Spotter designed for removal of gummy materials from carpets, upholstery and hard surfaces

Gum Extraction

Use Instructions

- Remove as much gum residue as possible with a scraper or dull knife
- Shake can before use and during use
- Insert the extension tube into the valve tip
- Point nozzle at 45° angle within 2" of the gum
- Using short, quick bursts, spray until gummy substance is frozen solid
- Chip or scrape off frozen matter using a putty knife, dull knife or scraper

Product	Pack size	Dilution	Product code	
Gum Extraction	12 x 6.5 oz. / 184 g Aerosol cans	Ready-to-use	95628817	

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
